

As part of the program that helps provide funding for our low-cost spay and neuter program, Second Chance Companions can register licenses for pets living in Clark County (this excludes those living within the city limits of Battle Ground, Ridgefield, La Center, and Camas/Washougal, as they do their own licensing in those cities).

Please complete the form below and mail it in with a check, money order, or PayPal confirmation number for the license fee plus \$1.50 for postage and handling. Your license will be mailed to you.
